

The decisions made by our national leaders in the next decade will have a dramatic impact on the future of our state and our county. To ensure that the sacrifices of rural Americans are honored, it's important to carefully examine the records of the current candidates. Can we really afford four more years of the same failed policies of the Bush administration?

Supports the Bush policy in Iraq, with no clear plan for ending the war.

The War in Iraq

Supports the Bush policy in Iraq, with no clear plan for ending the war.

Has consistently supported tax breaks to big oil companies, who profit from the carbon emissions that cause global climate change.

Global Climate Change, which threatens to undermine rural communities throughout America.

Has consistently supported tax breaks to big oil companies, who profit from the carbon emissions that cause global climate change.

Has joined President Bush in consistently opposing the GI Bill of Rights, and refuses to treat veterans with the respect they deserve.

Veterans Benefits, including the challenges of brain injuries facing our vets returning from Iraq

Has joined President Bush in consistently opposing the GI Bill of Rights, and refuses to treat veterans with the respect they deserve.

Supported the original Bush plan to privatize Social Security, and currently advocates a heavy emphasis on private retirement accounts, putting at risk millions of American seniors.

Protecting Social Security, to ensure that our seniors can afford to stay in their communities.

Supported the original Bush plan to privatize Social Security, and currently advocates a heavy emphasis on private retirement accounts, putting at risk millions of American seniors.
