

It's one thing to talk about providing health care to all Americans. It's another thing to make sure that it happens. Which presidential candidate will deliver on the promise of making health care affordable for rural America?

 <p><b>The Issues</b></p>	 <p><b>John McCain</b></p>	 <p><b>Barack Obama</b></p>
<p><b>Making health care affordable</b></p>	<p><input checked="" type="checkbox"/> Proposes a massive tax increase on working families by taxing health care benefits for the first time.</p>	<p>Proposes a universal health care plan that will reduce health care costs by an average of \$2,500 per family. <input type="checkbox"/></p>
<p><b>Making health care accessible</b></p>	<p><input checked="" type="checkbox"/> Opposes efforts to attract health care providers to rural areas.</p>	<p>Supports efforts to attract health care providers to rural areas. <input type="checkbox"/></p>
<p><b>Improving Medicare</b></p>	<p><input checked="" type="checkbox"/> Supports Bush's tax cuts for the wealthy. Opposes increases in Medicare reimbursements for rural health providers.</p>	<p>Supports ending Bush's tax cuts for the wealthy to increase Medicare reimbursements for rural health providers. <input type="checkbox"/></p>
<p><b>Lowering the cost of prescription drugs</b></p>	<p><input checked="" type="checkbox"/> Opposes allowing the federal government to negotiate for lower prescription drug prices with drug manufacturers.</p>	<p>Supports allowing the federal government to negotiate for lower prescription drug prices with drug manufacturers. <input type="checkbox"/></p>
